SUMMARY

I am an aspiring web developer with a networking and Microsoft applications background. I recently graduated with a BCA from CCS University and have obtained certifications in Computer Troubleshooting, CCNA, and Computer Networking from Anudip Foundation. I am skilled in Microsoft applications and am passionate about technology. I thrive in team environments and am always eager to learn. I have strong analytical and communication abilities. I have expertise in HTML, CSS, and JavaScript and a Cisco Certified Network Associate (CCNA) certification, providing a strong foundation in computer networking and troubleshooting. My key strengths include excellent analytical and problem-solving skills, effective teamwork, and strong communication abilities. I am eager to contribute my technical skills and enthusiasm for learning to a web developer position at your company, where I can support your mission of delivering innovative web solutions.
